Features

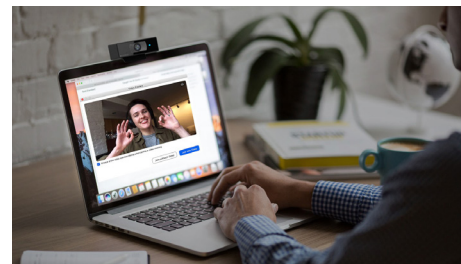

Capture Every Detail in 4K

Stream crystal-clear video with superb resolution, high frame rate, color, and detail. The C974 webcam provides 4K Ultra HD at 30 fps for an outstanding live streaming experience.

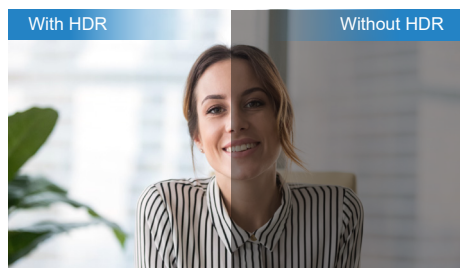

120-degree field of view

Unlike other common webcams, the C974 has a wide viewing angle lens. It can capture HD video at a wide-angle of up to 120 degrees. Giving you an unparalleled perspective for a wide variety of conditions when you live streaming or video chatting & recording.

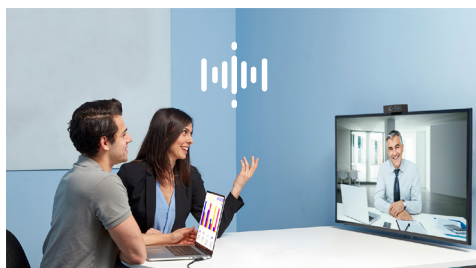

Automatic Light Correction

Equipped with automatic light correction, the C974 webcam can automatically correct the lighting conditions to produce the best bright and contrast images, even if you are in a dim environment.

HDR High-Dynamic Range

With the HDR technology, the C974 is able to restore every detail even in overexposed conditions.

Built-in Dual-Microphone

Fitted with two microphones for better audio fidelity, with the noise reduction technology that allows pick up the clear sound pick up to 3 meters during the conference room.

Driver-free, Plug and Play!

UVC/UVA standard, driver-free, just plug and play! Equipped with a tripod-ready universal clip (with 2 meters USB power cable), you can mount it on desktop, laptop, or LCD monitor, even place on the table, easy to set up.
